

Math Teacher Maternity Leave Substitute Positions

[Windward School](#), a grade 7-12 college-preparatory independent day school in vibrant West Los Angeles, seeks maternity leave substitute math teachers. An ideal candidate is an experienced and innovative educator looking to join a forward-thinking faculty.

We are looking for teachers to cover 2 – 5 of the courses listed below for two different, yet overlapping maternity leaves. There is some mixing and matching possible depending on each candidate's strengths and availability. **If you are interested in just the AP Statistics/Capstone classes, that is a possibility.** Please indicate that in your letter of interest.

Teacher 1 (tentatively filled) (late Jan - June)	Teacher 2 (Jan - early May)
Algebra 1 (1 section)	Honors Geometry (2 sections)
Honors Algebra 2/Trig (3 sections)	Precalculus (1 section)
AP Calculus AB (1 section)	AP Statistics/Data Capstone (2 sections)

This is a great chance to be part of a dynamic, close-knit, independent school culture and community!

Windward's mission, as a college-preparatory school, is to challenge each student to achieve academic excellence in a nurturing environment. Windward teachers, parents, and administrators work as a team to encourage each student to be responsible, caring, well-informed, ethical, prepared, and well-balanced young adults.

The Math Department teaches with a focus on growth mindset and student engagement. Technology is integrated extensively throughout our curriculum including TI-Nspire handhelds in Algebra 2/Trig and higher, and interactive programs such as Desmos, Kahoot, Edpuzzle, and Socrative.

For more information about Windward School, see our website: www.windwardschool.org.

If you are interested in applying for the position, please submit your resume and letter of interest [via this link](#).

If you are interested in finding out more information before applying, please contact the math department chair, Mya Caruso, at mcaruso@windwardschool.org.
